Foreword

As our years at Saltsburg Junior-Senior High School come to a close, we the Class of 1970, leave the memories of our past - all the fun, efforts, and anxieties we have experienced - in the 1970 La Saltianna.

Although we are one of the smallest classes to graduate in recent years, we have made our mark in every phase of school life - social, academic and athletic.

As you look at the 1970 La Saltianna, we invite you to relive some of the memories that took place during our final year at Saltsburg Junior-Senior High School.

Alma Mater

Hail, Alma Mater--
Saltsburg High,
We think of days
And years gone by.
And praise we offer
Thee e'ermore--
As we depart from
Life's vast shore!
Oh, hear us when
We sing to thee,
Of our great love
And loyalty!

Hail, Alma Mater--
Red and White
The symbol of thy
Guiding light.
With Trojan brave
To guard thy name--
And give thee honor
Might and fame.
Go with us as we leave thy door,
And there remain, forevermore.

Hail, Alma Mater--
Saltsburg High
Thy mem'ry sweet
E'ermore shall lie
Within our hearts
Within our soul,
As we march onward
Toward life's goal.
May God's rich blessings
E'er be thine,
And always thy loved
Name refine!

Faculty and Administration

Seniors:

Congratulations to the graduating class of 1970. This is the beginning of a new decade that will be filled with proposals and counter-proposals to solve the problems of society. We hope that you will obtain an objective background of these problems and then actively participate in winning proper solutions. As a citizen of a democracy you have not only many privileges but many responsibilities. The future depends on how well you assume the cloak of these responsibilities. We wish you well.

Mr. Henderson

Dear Seniors:

As you leave this phase of your formal education, you are entering a new decade filled with challenges undreamed of in the past. Congested cities and towns, polluted streams and air, inadequate transportation facilities and a seemingly endless turmoil in Asia and the Middle East are only a few of these challenges. My desire is that you have received the basic education in our schools to enable you to not only fit in to this complex society but to aid in improving it.

Liz Julian, DAR Award Winner

As we, the Senior Class of 1970, graduate this year from Saltsburg High School, we have many pleasant memories from the past to recall. Our school is not a large one, but it is one of which we can be proud. I am sure that all the members of this graduating class are proud to have been a part of it.

The Senior Class of '70 stands out academically. Most of the class is planning on further education after graduation, such as colleges, business, technical and other types of schools, thus better qualifying us for the future.

Our class has been busy during the year not only with school studies but with other varied school activities, from our class play, and yearbook to the newly-organized Student Council. We are proud to say that the Student Council president has been selected from our class. As for the yearbook staff, this group of people has worked extremely hard to make this La Saltiana outstanding.

Members of the school faculty have worked to prepare us for the challenging future that lies ahead. We hope to live up to their expectations for us.

We thank them for their efforts.

BORN FREE

Born Free,
As Free as the wind blows,
As Free as the grass grows,
Born Free to follow your heart.

Live Free,
And beauty surrounds you,
The world still astounds you
Each time you look at a star.

Stay Free,
Where no walls divide you.
You're free as the roaring tide,
So there's no need to hide.

Born Free
And life is worth living
But only worth living
'Cause you're born free.

Silently into the night we go,

To seek our distant dreams.

Coach Flick, Coach Grimm

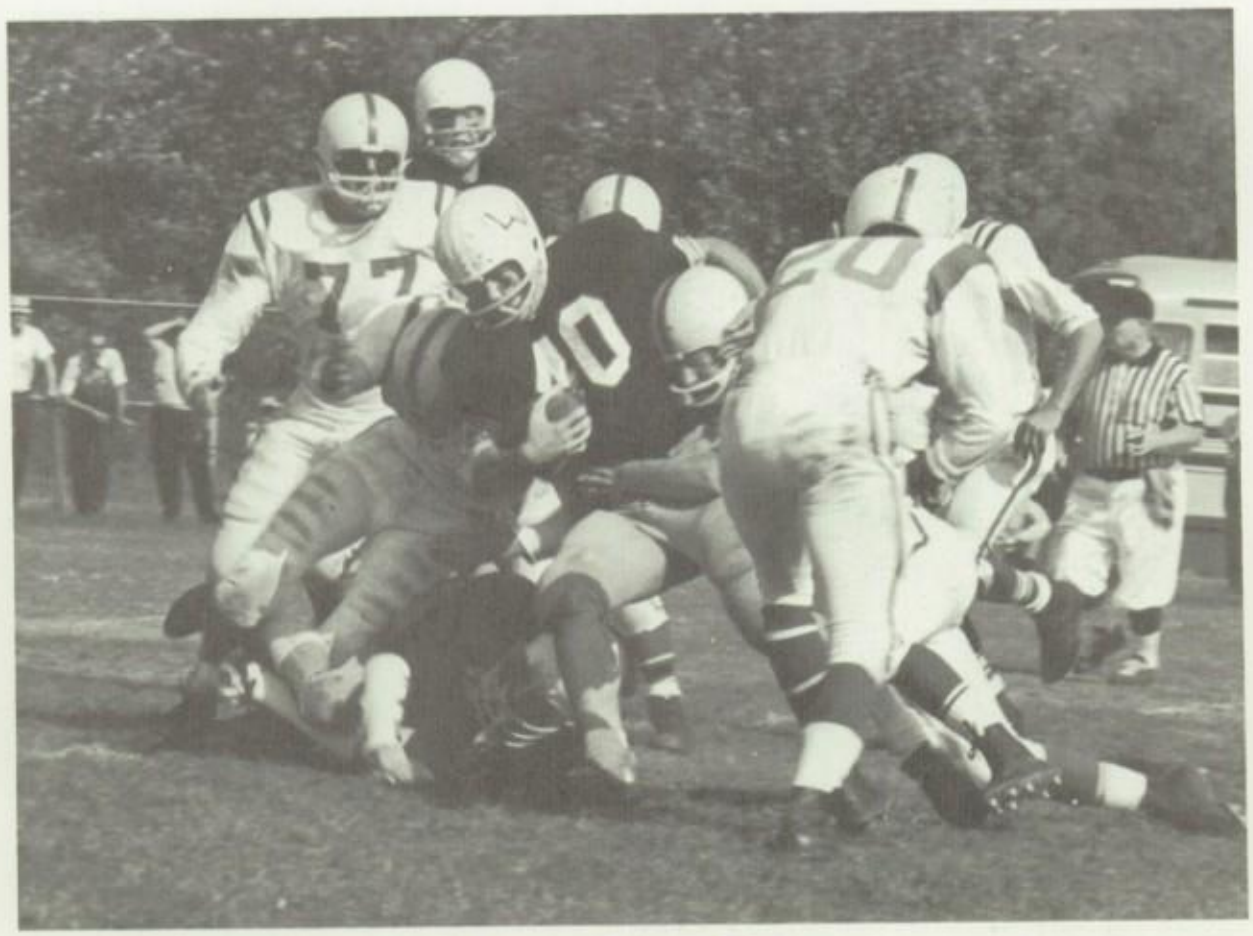
More Homecoming



"Tickle him, boys!"

The Homecoming festivities this year began with the Homecoming Parade, starting at the Teepee and proceeding to the athletic field. The parade escorted the Homecoming Queen and her court through town and up the hill to the football field, where our Trojans battled with the Laurel Valley Rams in the 5th Annual Homecoming Game. At halftime, the traditional crowning of the Homecoming Queen took place, with Mr. Sell doing the honors. The band performed with a particularly colorful routine. The festivities ended that evening with the Alumni Dance in the auditorium. The dance was sponsored by the Varsity Club, and the decorations were done by the Varsity Cheerleaders. A good time was had by all!

We, as editors of this yearbook, have spent many long hours worrying about deadlines and working many hours to meet them. We have tried to make money by selling ads and by sponsoring our dance, "Coffee Underground", in January. This money helped finance about half the cost of producing our yearbook.

Without the help of our conscientious staff and our typists, our dance or this yearbook wouldn't have been possible.

We have put much effort and time into this yearbook and we hope you enjoy it.

Drum Majorette and Head Majorette

Drum Majorette
Terry Rose

The Drum Majorette is in full command of the band and majorettes both in parades and in the field, where she often conducts the band. With the help of the Head Majorette, she creates the routines which the majorettes perform during half-time shows.

The duties of the Head Majorette are much the same as those of the Drum Majorette. Along with making up routines, she takes over the role of Drum Majorette in her absence.

Our Senior High Chorus started out in September with twenty-four female voices. After Mr. Illar joined the service, Mr. Merkovsky became the new music director for the Saltsburg schools. Under his leadership some changes were brought about in our Senior Chorus: we elected officers, recruited new members (both male and female), and decided to do a "Pop Festival", instead of the traditional easy-listening music, for our Spring Concert.

This was a three day event with the chorus performing two evening concerts and an afternoon assembly for the host high school. New Organizations . . .
The Drama Club

The fall of 1969 saw the start of a new club at Saltsburg High School. Mrs. McAnulty and Miss Cravotta became the sponsors of the Saltsburg Drama Club. The goal of this club is to inspire the creative ambition of the student body and give them a chance to "do their own thing."

The club's first presentation was the Thanksgiving play, "A Note to Myself." This first play gave club members a chance to discover the pleasure staging such an assembly gives; as well as the chance to learn valuable knowledge for their next performance.

As president of the Drama Club, I would like to thank everyone for their cooperation and enthusiasm in making the Drama Club a permanent activity at S.J.S.H.S.

New Organizations . . .
Student Council

In November, the members of the student body elected their representatives to the Student Council. The elections took place on a homeroom basis, with each senior high room selecting two representatives, and each junior high room choosing one representative, making a grand total of twenty-eight members. The members of the Student Council are as follows:
Alexander Koontz, Elizabeth Julian, Jane Michelotti, Bill Raspberger, Debbie Adams, Dennis Urban, LuAnn Cindric, Kathy Dick, Terry Rose, Donna Ercole, Charles Catania, Nancy Bair, Maria Julian, Sue Clawson, Bob DelFavero, Cathy White, Gerry Rossi, Stanley Condor, Gordon Repine, Coke Mowery, Terry McKnight, Paul Orvosh, Mike Cribbs, John Vatter, Caroline DeLuca, Jim Greece, Daniel Jones, and Jerome Williams.

Student Council Officers (l-r): Alexander Koontz (President), Debra Adams (Vice-President), LuAnn Cindric (Secretary), Sue Clawson (Treasurer).

This year, Saltsburg High School witnessed the formation of a student government. The Student Council of the Saltsburg Junior-Senior High School, although just a newly formed organization, hopes to accomplish much, as it will become a fundamental part of the educational and social activities of S. J. S. H. S.

Highlighting this year's activities was a campaign in which the entire student body elected officers for the Council. This election was the formation of a well-known political party--S.D.S. However, this party had a different twist; it was comprised of only three leaders--Sandy, Debbie, and Sue. On November 25, after the votes were counted, S.D.S. and LuAnn Cindric were landslide winners. By All the interest shown, it is hoped that this type of electioneering will become an annual affair at Saltsburg.

There is still much to be done. This year, the Student Council adopted a constitution and is hoping that soon there will be a Handbook for the students. All this would not have been accomplished without the assistance of the entire student body and the helpful advice and leadership of Mr. Curran, Mrs. Cunningham, and Mr. MacBlane.

Thank you,

Alexander Koontz
Student Council President

The G.A.A. as a new organization, has provided a lot of experience as well as fun for its members. Its greatest accomplishment so far has been to organize intramural basketball teams. The games are not only fun for the girls, but they have entertained the students during their lunch hour. We hope that the enthusiasm and benefits of this club will continue in our school.

Mrs. Koch,
To my favorite
teacher. I am sure
that this year was
the best homeroom
mine ever had. I
want to thank
you for all the
help you've given
me all year. The
most frustrating
thing I did this
year was the N.H.S.
programs for Mrs.
Coulson. It seemed
like nothing would
come out right. And
then there were
my stencils at the
beginning of the
year. Now.

What Will The Future Hold?

Mrs. Roth,
To one of the best teachers I've had at Saltsburg. (if you're not the best one!) I'll really enjoy your classes and they will be one of the things I'll miss when I leave. Try not to forget me a(Hank!), I won't forget you! Thanks for all the help!

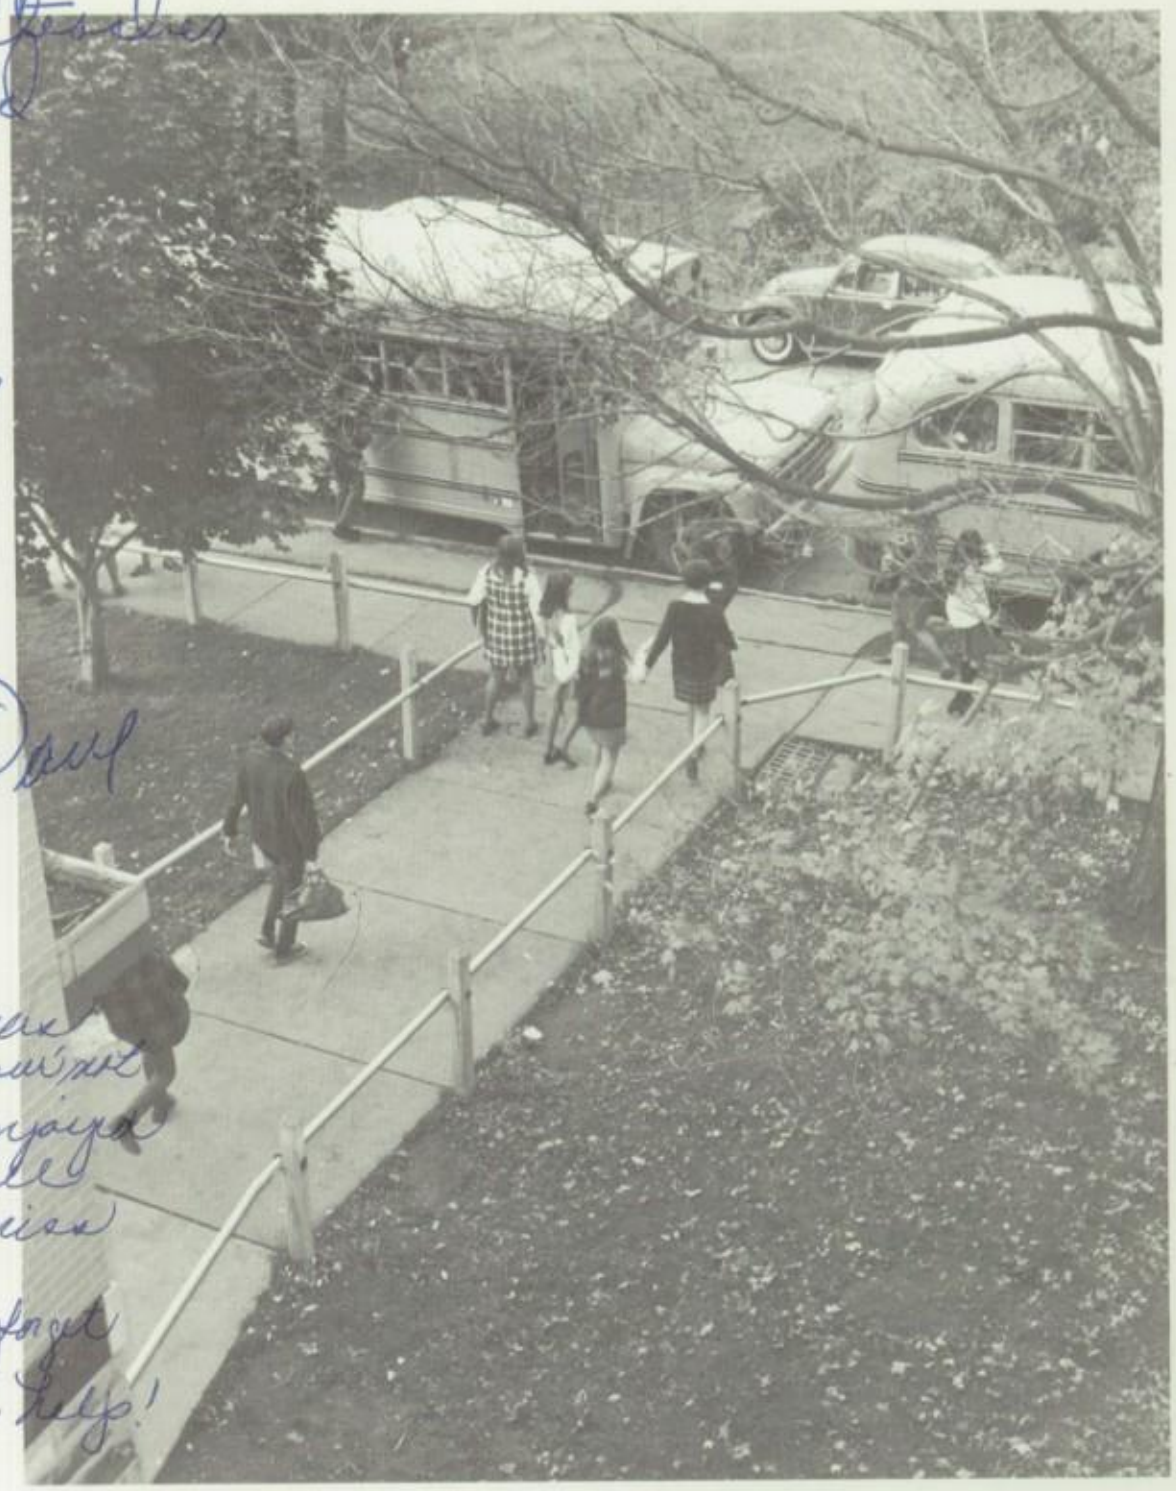
Carolyn



Everything that happens to us contributes slightly to make us what we are. This yearbook is the memory of what happened during the school year 1969 - 1970. We hope that we, the members of the yearbook staff, have conveyed to you the hopes and dreams that motivated us during this past year. What we have learned and experienced here will determine in a large sense what will happen after we leave this school for the final time. What will the future hold?

Sincerely,

The 1970 Yearbook Staff

Mrs. Koch,

To my favorite and most influencial teacher. You have been the only teacher that has gotten through to me. Ever since I've been in the Commercial Course, I've been on the Honor Roll. A I thank you very much! And thank you for helping so much this year with everything and especially with that program for Mr. Alick. I'll never forget you and I'll try to come back next year and see you. Take care and God Bless you.

Love ya,
Sheryl

Mrs. Roth;

You have got to be the most understanding teacher this school has ever had!! I know I think alot of you, but it would really make you cry if you could hear the guys! We all appreciate all the things you have done for us! Char & I both tried to come in on time - just to please you. At times we weren't too "successful" right? I know that as we go out to make a place for ourselves, that we'll all be better people, just because of you! Thank you, Mrs. Roth. Never forget our classes, we learned an awful lot from you! God Bless you Always...

Love ya,
"Roemarie"

Mrs. Roth,

So the only teacher I can think of that always tried not to give homework when something was going on the night before. Remember all those things you did to me. Remember? Be Good + Good luck with your next year's class. God Bless.

Frances.

To the nicest teacher I've had all through school. Even though I was always at the bottom of the class when I came to your classes I enjoyed your classes most, just because there's a kinda great teacher, that you! Good luck with all your future classes and thanks for putting up with me.

Mrs. Roth,

To the best teacher Saltsburg ever had. Just think, I would probably missed alot more days if you didn't said "See you tomorrow." Thanks for everything you did for me. I'll never forget you.

Love
Luala.

Mrs. Roth,

To my favorite teacher and the best. Thank-you for all the time and patience you have given me, I know at times I must have really given you a headache. Never forget all the after school talks we have had... some of them really got deep into the subject, hugh? Don't go thinking that just because I'm graduating you getting rid of me either. Ha Ha. I'll be back to visit and hopefully to teach. Good luck always and may God bless you.
